Objective

Seeking a **director** position in a midsized hospital, utilizing teamwork building, demonstrating leadership and raising quality of patient care.

Accomplishments

- Over **10 years experience** as a Hospital Health Care Director.
- Appointed “**Best Supervisor of the Month**” six months in a row.
- Fluent at speaking, reading, and writing **Spanish**.
- Consistent demonstration of building staff morale and opening lines of communication.

Experience

Sloan-Kettering Hospital 1990-Present
Assistant Hospital Health Care Director

- Encouraged conflict resolution skills through the **creation of an 18 hour staff Emergency Training Program** and a **conceptualized and facilitated weekly forum** utilized by over 200 staff members.
- **Reduced patient’s wait time by 50%** by establishing quality management system to set up rooms.
- **Constructed and implemented computer** systems for 15 hospital departments.
